

ETHICS – FROM A NAMIBIAN PERSPECTIVE

VIRTUAL TRAINING 19th & 20th July 2021

To date, both members and trainee accountants, have to a large extent been dependent on South African service providers to gain access to ethics training to meet the continued professional development (CPD) requirements as set by the Public Accountants and Auditors' Board (PAAB) and the Institute of Chartered accountants of Namibia (ICAN).

With this in mind we are pleased to present 3 modules of Ethics from a Namibian perspective.

Module 1: What is Ethics and why do we need it? 4 Hours

Module 2: Ethics and the Professional Accountant. 2 Hours

Module 3: Non-Compliance with Laws and Regulations, (NOCLAR). 2 Hours

These sessions are limited to 80 people on a first-come, first-serve basis.

Outline

- What are ethics?
- Why ethics are important?
- How to build reputation and trust through ethics in one's career and business.
- The consequences of ethical failure.
- What drives ethical choices?
- Different values and how they underpin behaviour in the workplace.
- How to integrate ethical principles and apply them to scenarios that typically arise in the accounting industry.
- Practical tools to help improve ethical behavior.
- How to make ethical decisions in complex situations.
- The role of the Chartered Accountant in ensuring ethical and effective governance in organizations and his/her responsibilities in this regard.
- The role of the manager/employee in building an ethical culture in organizations and his/her responsibilities in this regard.
- NOCLAR

About the presenter

Philip van Schalkwyk - CA(NAM), CA(SA), RAA(NAM)

Philip did his articles with KPMG Namibia, and then spent the next 18 years in the insurance industry, serving in a number of position in forensics, internal audit, financial management and operations management, with exposure to long-term insurance, medical insurance, reinsurance and software development for the insurance industry, before returning to audit in 2017.

In the time spent in the insurance industry, he worked in South Africa, Namibia, Botswana, Zambia, Kenya and Ghana, and remotely with entities in Uganda and India.

In addition to an Honors Degree in Accounting he holds a Master Degree in Business leadership from the University of South Africa's School for Business Leadership. Philip is passionate about training, and lectured part-time at the University of Namibia shortly after obtain his accounting degree.
