

EXPRESSION OF INTEREST

Are you interested in mentoring Namibian students on their journey to become Chartered Accountants?

Do you have a passion for providing mentor support, encouraging, and promoting young students throughout their lives? Are you interested in providing professional guidance that can help instill confidence in a student's career path? Would you like to give back to the CA profession by grooming future CA's?

THEN THIS IS FOR YOU!

The Education and Examinations Committee (EEC) has identified the need for interested ICAN members to serve as mentors for current and future CA students (i.e mentees).

WHO ARE THE MENTEES?

CA students at local universities (UNAM and NUST).

Students writing the ICAN professional examinations (ITC and APC).

Students registered with Board courses in preparation for the professional examinations.

MENTORING EXPECTATIONS

Provide motivation to find unique skills and strengths.

Building an on-going relationship towards overall growth and development.

Provide emotional and mental support.

Provide professional guidance to achieve certain goals.

Provide guidance on study and examination technique.

TIMING

Mentoring will be ad-hoc and dependent on student needs.
Exact timing will be established by the mentor and mentee.

BENEFITS

Serving as a mentor is voluntary and unpaid.
Claim CPD hours for participation as an appointed ICAN representative.
