

# ONLINE CA LEADERSHIP MASTERCLASS

## Building leadership skills of Chartered Accountants

**Are you looking to grow your career?**

One of the most important skill sets you will ever use in both your career and personal life is leadership skills. The Institute of Chartered Accountants of Namibia, in collaboration with the Institute of Chartered Accountants of Zimbabwe, is presenting you with a unique opportunity to grow your leadership skills.

**Are you looking to expand your skills?**

The skills you will learn include personal leadership, relational leadership, lifelong learning, ethical leadership, business acumen, digital acumen, critical thinking skills, and much more.

**Leadership is key**

Leaders initiate action, offer guidance, inspire others, instill confidence, and build morale. We aim to grow the future business leaders in Namibia, and this course will help you become a future-ready and relevant leader.

## CA Leadership Masterclass

This CA Leadership Masterclass seeks to develop the leadership capacity of CAs. This is motivated by the need to prepare a future ready and market relevant Chartered Accountants after taking into account global trends wherein certain attributes were identified as important for future CAs.
